FACILITIES, GENERAL.

(c) Storage. Supplies of food and bedding shall be stored in facilities which adequately protect such supplies against deterioration, molding, or contamination by vermin. Refrigeration shall be provided for supplies of perishable food. There is a pallet of cut meat that will be used for feeding the large cats in the next 2 days in the freezer. The packages have been cut open exposing the meat to the air. All open packages of meat need to be covered to prevent freezer burn and contamination. Correct By : 4-27-06
