Dear Ms. Eckrote:

I want to thank you for the professional courtesy that you have extended to my firm and my client during the past few weeks. At our June 4, 2009 meeting, DNR informed Mr. Boyajian that it would issue his Wild Animal License if he would move out of the City of Atlanta. We have spent considerable time exploring this option. At this time, Mr. Boyajian is not able to agree to move out of the City of Atlanta.

Additionally, after much review of the issues before Mr. Boyajian, we believe that the denial of Mr. Boyajian's wild animal license is both arbitrary and capricious and a violation of his constitutional rights. As such, Mr. Boyajian has been forced to file a Complaint against the City of Atlanta and the Georgia Department of Natural Resources. A file stamped copy is enclosed herein.

Should you wish to discuss the denial of the license or any other matter, please do not hesitate to contact me.

Sincerely,

Cameron M. McCord
