Washington State University Looking for New Cougar Mascot

(July 21, 2010) - 'Washington State University and student body has been interested in bringing back a tradition that once was a fan favorite. Our institution had a real cougar mascot for many years and that tradition ended sometime in the 1990s. It is something we would love to bring back with the right situation and are curious if anyone in the NW or Washington specifically would be interested in getting involved with us in this project. Please email Jake Bredstrand at jacob.bredstrand@email.wsu.edu if you have any ideas or contacts that we could get in touch with. Thank you!'
