TALLEY ROAD - WILD ANIMAL

Inspection
Type: ROUTINE INSPECTION
Date: JAN-02-2008

2.126 (a) REPEAT NCI

ACCESS AND INSPECTION OF RECORDS AND PROPERTY.

(a) Each dealer, exhibitor, intermediate handler, or carrier, shall, during business hours, allow APHIS officials: (1) To enter its place of business; (2) To examine records required to be kept by the Act and the regulations in this part; (3) To make copies of the records; (4) To inspect and photograph the facilities, property and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations and the standards in this subchapter; and (5) To document, by the taking of photographs and other means, conditions and areas of noncompliance.

On January 2, 2008 at approximately 11:00 am the licensee refused to allow an inspection of the Talley Road site. The licensee was out of town but was contacted by phone by a staff member. I asked the licensee if she was refusing an inspection and she said "Yes and that the reason was the Board of Directors will not allow USDA to inspect the Talley Road site (site # 2) until the allegations have been legally addressed and resolved."
